

**This Lenten Season, help us support
Middletown High School students by donating items
for their wellness closet.**

Instead of giving **UP** something this lent season, join us in giving **TO** something, with our 2026 Lenten Giving Project! This year, we're partnering with the newly formed Middletown Wellness Closet, an initiative designed to meet the MHS students' immediate needs related to hygiene and cleanliness. This new resource will be accessed through school counselors and will help ensure that students have what they need to feel confident, comfortable, and ready to learn. For this project, we are looking to collect donated items such as:

Travel-size shampoo

Travel-size conditioner

Travel-size body wash

Loofahs

Travel-size deodorant

Travel-size toothpaste

Toothbrushes

Travel-size mouthwash

Dental floss

Travel-size body lotion

Lip balm

Combs

Once you collect the items you want to donate, just bring them by the church lobby and place them in one of the containers.

If you have any questions, please contact
