WORSHIP

Sundays start with WORSHIP!

It's not all about numbers-- but we are blessed to see more and more people be part of our Connection family and worship alongside one another! Hearing the sanctuary full of our brothers and sisters singing, fellowshiping, praying, and praising is such a powerful testimony to God's faithfulness as He has provided so much for our church to grow from where we started on December 24, 2001.

GROUPS

The church is not a building... it's people.

Similarly, building a relationship with Jesus and with each others goes beyond Sunday mornings. Small group ministry, "Connection Groups," are for just that: going deeper.

Doing life together.

Knowing the heart of Jesus so that we can spread the Good News.

That's an increase of about 50%!

OUTREACH

Just show up... OUT THERE!

To disciple others in our community and around the world, we have to step outside and share Jesus and the new life He offers with everyone we encounter! Whether that is at our local grocery store, at community events, or in mission work around the world!

GIVING

Giving is an act of worship- just as much as singing, praying, and reading our Bibles. Connection has always been a generous church, and we have seen miracles happen time and again through His touch on our finances. But this goes far beyond giving for 'big projects' and ministries-- this includes paying our mortgage, staff salaries, utilities, taxes, and the bills that are a part of daily lives.

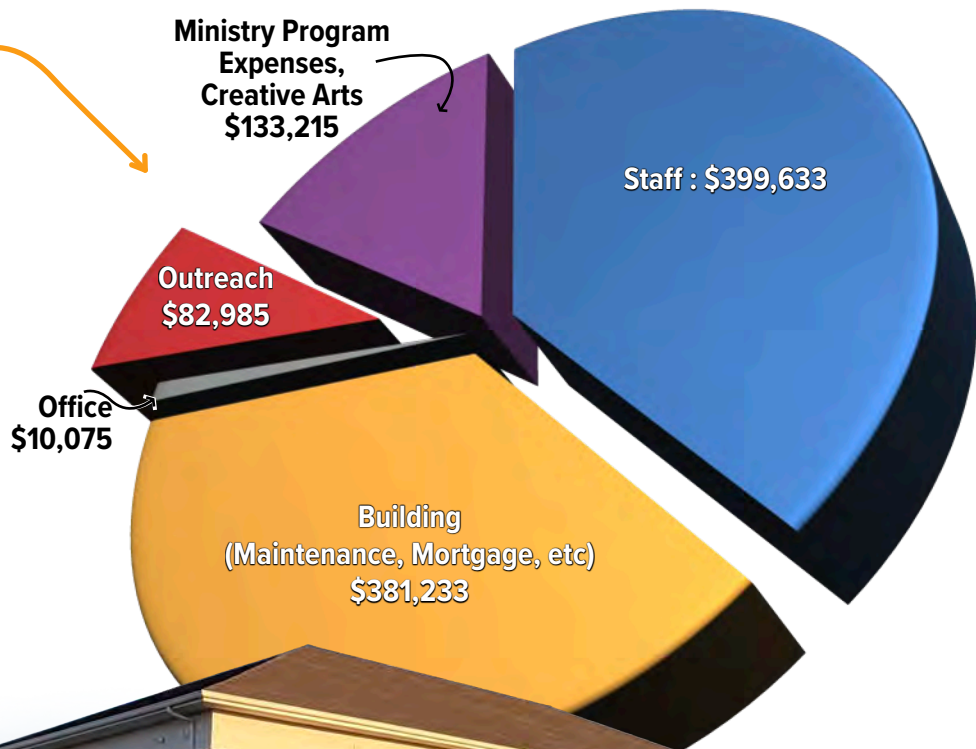

Budget for 2026-2027: \$1,007,041

 Luke 6:38

*Give away your life; you'll find life given back, but not merely given back— given back with bonus and blessing.
Giving, not getting, is the way. Generosity begets generosity.*
